

Nice: a dream destination...for studying!

Nice's extraordinary position between the sea and the mountains gives it a truly enchanting beauty: the smoothness of its sun-kissed beaches, the freshness of its countryside, the authenticity of its hilltop villages, combined with the comfort of a luxury resort. Discover a land of contrasts, a unique place: Nice, Côte d'Azur.

The city of Nice is the perfect location for language study abroad; its cosmopolitan feeling, vibrant nightlife and thriving cultural scene are comparable to many large European capitals.

In Nice, old and new come together to produce a delightful result. The town is teeming with history, with the Cimiez Roman ruins dating back to 200 or 300 B.C., its old town and narrow passageways dating back to the 15th century, its Belle Epoque parks, churches and cathedrals, and its opera house...

In the art realm, different architectural styles have left a most exquisite legacy. There are many museums spread out around town: the Matisse Museum, the Chagall Museum, the Modern Art Museum (MAMAC), the Museum of Asian Art, the Archaeological Museum...

Nice is also fantastically situated... the surrounding areas are full of magnificent landscapes, places of interest, world-famous towns and villages... Monaco, Cannes, St. Tropez, St. Paul de Vence, Antibes... Even Italy is just 30 minutes away.
