July 4th to July 26th, 2019:

Presentation and content

Our program is completely dedicated to all FFL Language (future) teachers from France and abroad.

From July 8th to July 19th

One module of 50 hours allowing concrete and innovative exploration of a specific domain of FFL's didactics.

- Evaluating learning in FFL

- Hands-on grammar for FFL courses

- Adjust teaching methods to various student groups

- Teach young learners

- Renewing FFL's lexical learning in class
- Animating the FFL class: techniques and games
- Exploring didactics in FFL literature
- Teaching French in compliance with the following University frameworks (FOU : Français sur Objectifs Universitaires / FOS : Français sur Objectifs Spécifiques)
- Practicing theater/Drama through FFL teaching
- French in daily life: exploring approaches to the language as it is spoken nowadays
- Investigation story/ tale as a literary pattern : a multi-source medium for the FFL class
- Teaching FFL through active perspectives and methods
- Adapt authentic/real-life documents to teaching objectives. Such documents could be audio recordings for podcasts from radio broadcasts, film trailers or even pictures with captions.
- Make use of ICTTCs = Information and Communication Technologies Tools for teaching purposes
- Observing class practice in different levels: from A1 to C1/C2 (Common European Framework of Reference for Languages (CEFRL) framework)
- Discovering French culture in immersion: meeting and discovering Nice and its environments

WORKSHOPS :

- Design a class yearbook or a travel log

- French culture and civilization

- Songs with French lyrics

- French cinema

From July 22nd to July 26th:

Observing class practice in different levels from beginner to advanced during a week (this week is free and not mandatory)

Also enjoy "Editor's day" and discover all the published innovations in the domain of FFL.

On this occasion, representatives and heads of the most important FFL publishing companies will be present to introduce their books and host a hands-on workshop.

CERTIFICATES

At the end of the session students will be issued a certificate stating the names of all the internship sessions as well as the number of classes attended.
